

SHARE New Beginnings

Join SHARE in creating a true home for a client family!

As a SHARE New Beginnings volunteer group, your organization will help create a safe and warm home for a family in need, enjoy team-building, and change a family's life forever.

Details of SHARE New Beginnings:

- Between 6-12 volunteers from your organization will work alongside SHARE during a day of service to furnish, decorate, and organize an apartment or house for a family in need.
- The volunteer event can be scheduled at your convenience and runs approximately 4 hours, ending with a "home reveal" for the family.
- The size of the family can be matched with the size or desired commitment of your group.

Responsibilities
